

“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29:11

WEEK SIX - MAY 4-10, 2020

From the Principal

The 2019-2020 school year will go down in infamy due to COVID-19 and the disruption it has caused in our lives. Although we are finishing the year separated from each other as a school family, we still have many great memories that we can replay in our minds about our experiences here at MPA. I bid a fond farewell to our Senior Class of 2020. I feel confident that each of you will go out into the world and do great things with the talents God has given you. For those of you who are returning next school year, it will be so wonderful to get back together again and continue our journey together. I can't wait to see all of you again! Things may continue to be somewhat chaotic in the coming months and, as always, there will be some ups and downs. Remember the story of the disciples and

Jesus in Matthew 8:23-27. There was a storm raging and the disciples were afraid. However, they soon learned that there was nothing to fear because Jesus was with them and He had the power to calm the storm. Jesus still has the power to calm the storm! It is with Him and only Him that we will find true inner peace and joy. Please remember that you are loved more than you can imagine! Each of you is important and has great value! Don't let anyone make you feel otherwise. Peace be with you!

Class of 2020

To the Class of 2020 Welcome to the MPA Alumni Association!

We are very proud of you and your accomplishments. Your class will always be very special and historic! You survived a new era.

Social Distancing

You are a dynamic, fun-loving, and community-serving class. You rose to the occasion and have successfully graduated under extreme circumstances.

Distance Learning

You have used iPads for school before, but now you had to WATCH them for classes! Hard to focus without being there personally? YES, but you did it! Again, you are the amazing class of 2020.

Stay in touch! You'll be surprised as you get older how much you cherish the friendships you made at Mount Pisgah Academy.

We can't wait to see the plans God has

for YOU. Keep Jesus close to your heart, talk to Him daily, and ask the Holy Spirit for wisdom.

Your Alumni Association,

President: Dr. Joan Taylor ('68)

Vice President: Rhonda McGuire ('81)

Secretary: Rebecca Grissom ('09)

Treasurer & Editor: Lynn Miles ('71)

Brain Teasers, & Puzzles

(Submitted by Ms. Tammy)

Answer to last week's brain teaser:

The man crosses first with the sheep, leaving the wolf with the cabbage. He returns alone, then crosses with the wolf, leaving the cabbage behind. He leaves the wolf alone and returns with the sheep. The man leaves the sheep and crosses with the cabbage. He leaves the cabbage with the wolf and crosses one last time, returning with the sheep. Finally, all four are safe on the other side of the river.

Congratulations Josh Bedwell & Caleb Miller for correctly solving the scary situation with the sheep, wolf and the cabbage!

And they all lived happily ever after!

Hey guys this has been a crazy year. I wish we had been able to say goodbye. Even though I haven't had the opportunity to say this in person to each and everyone of you, I have enjoyed serving you guys. I hope that everyone of you strives to make Mount Pisgah the best place it can be. Each of you has an amazing personality and awesome qualities that you can use to benefit others and our school. I want to thank each of you for giving me the opportunity to be your voice. I look forward to coming back and seeing how each of you grow as people. I love you all and I wish you the best.

Your SA President, Ethan Stauffer
